Subj: Letter or Recommendation

I would like to take this opportunity to state my recommendation for Mr. Mitich and members of the mobile DJ service offered by the Ice House Young Adult Night Club.

Carlsbad High School has used the Ice House numerous times this school year for noon time DJ services and we have found his employees to be timely, extremely cooperative and pleasant to work with. We also used the Ice House for our Luau Dance and the event was quite a success with numerous comments by students who enjoyed the DJ running the music for the evening.

Once again, we at Carlsbad High School feel working with Mr. Mitich and members of the Ice House would be an event that would be most enjoyable for all parties.

Respectfully,

T. Robertson
