MAYOR AND CITY COUNCIL

July 25, 2006

To whom it may concern:

I have known Stojan Mitich for some time on a personal and professional basis. I can attest to the fact that Mr. Mitich has proven himself to be a very capable and forthright person. Mr. Mitich's strength lies not only in general administration, but in staff development and management as a youth leader and director of youth activities.

Throughout the last five years, I can affirm that Mr. Mitich's service and dedication to his work has been exemplary. He is committed to his music and uses his talents to help young people develop into productive citizens.

Should your agency be seeking someone with these qualities, I would wholeheartedly recommend that Stojan Mitich be considered for any position meeting those requirements.

Sincerely,

Mark Lewis  
Mayor
