Re: Letter of recommendation

To whom It may concern:

It has been my pleasure to work with Mr. Stojan Charles Mitich and DJ crew from The Inferno Young Adult Nightclub for the last 5 years. They have always been professional and prepared and fun! The work that they have performed here at the San Diego School of Creative and Performing Arts has been superior. I would recommend them to any public or private school in the San Diego area. Mr. Mitich and his company have my gratitude and continued business for the work they have performed for us.
